

Rare Awareness Rare Education

RARE Portal

Australia's growing national resource for rare diseases

Rare disease information and resources

- ✓ Customised for the Australian context
- ✓ Rare disease directory
- ✓ National and state services
- ✓ RARE Helpline (service navigation support)

Information for Australians

- ✓ People living with a rare disease, including family and carers
- ✓ Healthcare professionals
- ✓ Researchers
- ✓ Broader rare disease sector

Developed collaboratively

Development of the RARE Portal is informed by a robust and extensive multi-stakeholder consultation process

Rare Voices Australia

Rare Voices Australia (RVA) is the national peak body for Australians living with a rare disease. RVA is leading the collaborative development of the RARE Portal, which houses the RARE Helpline. Both initiatives are funded by the Australian Government. The RARE Portal is a key deliverable of the **National Strategic Action Plan for Rare Diseases** (the Action Plan). The Action Plan is the first nationally coordinated effort to address rare diseases in Australia.
