

Help us test the new way of planning

We want participants with different disability types, support needs and experiences to help test the new way of planning.

We want to test the new process to make planning fairer and more consistent for all participants.

We're running 2 types of testing activities:

Activity 1: Complete a simulated support needs assessment.

Activity 2: Help train and accredit NDIA assessors who will complete support needs assessments in the future.

Participants are paid to take part in testing.

Separate consultation opportunities about NDIS rules will be available through the Department of Health, Disability and Ageing.
