

Kids Advanced Therapeutics (KAT) Lived Experience Engagement Project

**DO YOU LOOK AFTER A CHILD WITH A
RARE CONDITION,
WHO HAS ACCESSED OR MAY ACCESS
ADVANCED THERAPIES?**

**We want to hear the views of families and
people with lived experience around the
KAT program in supporting access to
advanced therapies for children**

**Read more about this research
study and fill out the
Expression of Interest at
www.redcap.link/KATLEAP
(or scan QR code)**

You should read the Participant Information and Consent form in full and discuss it with trusted support people and health professionals before deciding to participate.

**Participation in this study is voluntary and withdrawal at a later stage will not
affect your relationship with Sydney Children's Hospitals Network.**

Contact us at any time for questions about the study!
